President West, after thinking the matter over, came to the conclusion that the money needed to complete the work could be raised by subscription among local women of neans, who are daughters of pioneers. She suggested the plan to members of the board and it was acted upon with success, and the following ladies free-ly contributed to the cause:

Mrs. M. S. Browning, Mrs. David Eccles, Mrs. Joseph Clark, Mrs. Har-riel Woodmansee, Mrs. A. L. Brewer, Mrs. Dr. Ezra Rich, Mrs. William Eccles, Mrs. Heber Scowcroft, Mrs. Dr. Edward Rich, Mrs. J. M. Browning,

Mrs. Thomas D. Dee.
Several others have also promised contributions

With the fund thus raised, the show cases necessary at the present time have been purchased, and with the platform to be used are being set in readiness to receive the relics that have been collected. For the material needed and the work done in placing the platform, the Daughters of the Ploneers acknowledge their appreclation to J. W. Volker, William Tres-eder, and C. J. Humphris.
